# A Senior Class

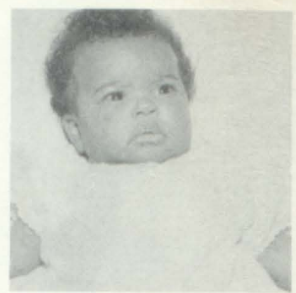

Well, let's get this meeting started!

As President, I propose that we talk about the prom, class trip and graduation.

Madam President, I would suggest having the prom at the Manor in West Orange.

No, not the Manor. What about the Robert Treat?

Let's hurry and decide because I'm getting a little tired.

I'll call several places to find out what is available.

What about Doops? I heard the prices there will fit our pocketbooks.

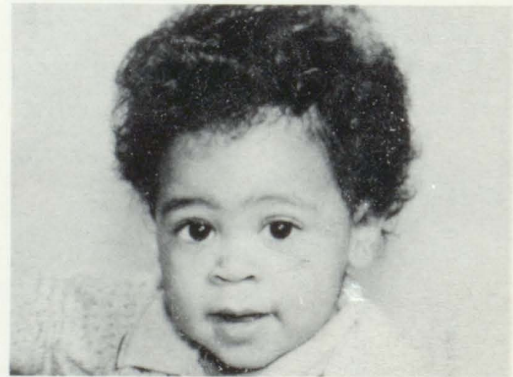

Any place is all right! We are ready to boogie.

How much do you think the bids will cost?

I hope not much because I can't afford it.

Anything will suit me fine.

Now, we can't go over our heads. Money makes the difference.

We will let the entire class vote.

So much about the prom, let's discuss our class trip.

I think we should go somewhere nice. Some place we can always remember for the rest of our lives.

# Meeting in Progress

Yes, I agree. Who has an idea?

I do! I do! Let's go to Great Adventures.

Maybe Wildwood.

Let's talk sense. Everybody's been there already.

I haven't any idea yet.

I have an idea we're all going to Canada.

How exciting! How much will it cost?

I think about \$150.00.

Where will we get that kind of money?

That sounds good enough.

I'm sure we'll have a lot of fun.

Will we go to Montreal or Toronto?

Yes, Toronto, my mother has been there.

Maybe if we sold something and got a profit it wouldn't cost so much.

Well, as long as I can bring Wee Wee and Pea Pea.

I'm ready for the prom.

Let's get the car out of the snow.

Are you kidding?

Ha! Ha! Ha! She MUST be kidding.

Now let's get serious.

How can we get serious about getting a car out of snow?

I'm hungry!

Meeting adjourn.

Let's go to class.

DEDICATION TO A  
FRIEND  
MRS.  
DORYCE BRADLEY

Mrs. Doryce Bradley came to West Side High School in September 1971 to serve as security guard. Prior to coming here, she worked as an inspector at a lingerie factory.

She has been a mother, grandmother, aunt and friend to all of us. She has always been firm but fair. She has maintained respect from all the students throughout her eight years.

A dancing career was part of Mrs. Bradley's earlier years. She enjoyed dancing in the RKO circuit with Bill Robinson and Buck and Bubbles. She also danced at other theaters and night clubs in the metropolitan area. Unfortunately, she broke her leg in 1946 and had to end her dancing career. She will always remember her last performance at Small's Paradise in Harlem.

After retiring, Mrs. Bradley plans to rest awhile and then do a little traveling. She will, however, come back to visit West Side. She says that she will mostly miss the students whom she calls her "family," and will always remember assisting them to class.

Mrs. Bradley, we the graduating class of 1980, wish you the best in your retirement. We take great pride in dedicating this yearbook to you.

June, 1980

Dear Seniors,

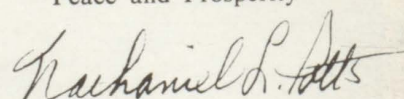

My graduation message to you is very simple, "You Can Do It Easily!"

Whatever you need to do, no matter how difficult or demanding or challenging, you can do it—easily! You can have wisdom, strength, poise, guidance, assurance—anything you need at any moment and under any circumstance. How? You have the very ability within you as your own personal birthright and heritage. Because of and through this ability in you, you can to anything you need, want, or desire to do—easily!

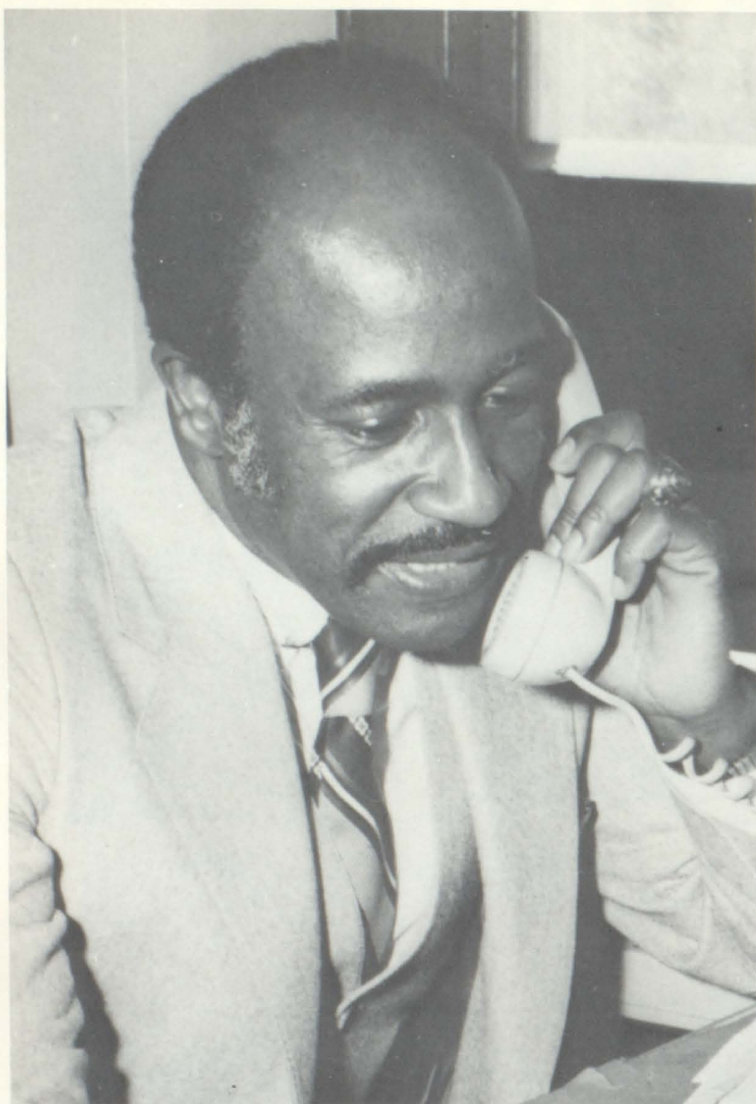

Take a few minutes right now to be still and know this for yourself. Relax physically, emotionally, mentally. Gently but firmly remind yourself, "I can do it—easily." As you let this idea take hold in your consciousness, you will find yourself more adequate, confident, and assured than you had thought possible. Instead of thinking and saying, "What if I can't?" or "What if it doesn't work?" or "What if something happens?" you will be using the power of the "Spirit" in you to successfully meet whatever challenge or difficulty that you must face.

In closing, let me leave this thought with you . . . "We need not go along with unhappy conditions, believing that we have no choice in the matter. Always we have a choice, always it is in our power to change the pattern of our life. There is nothing you cannot accomplish, no goal that can't be attained, if you have abundant energy, joyous enthusiasm, faith in yourself, and most important of all prepared yourself accordingly." "Remember . . . You Can Do It Easily!"

To the class of 1980, we wish the best of all of life's challenges and the tools with which to successfully meet them. For life without challenge becomes boring, and boredom often leads to non-achievement.

But, challenges must be met with skill. It will be your life's work to make yourself skillful.

The 80's will be a decade of maximum changes in a minimum of time, and you must be able to adjust to the swiftness of the social currents that will either sweep you along with them, or be directed by you.

Remember, one of life's saddest individuals is the man who never realizes any of his goals. You may not know what you want to be, but you should have an idea as to what you hope to have someday. Keep to it! Keep it in sight! Be prepared for when it comes along! You'll get there!

# WEST SIDE

The West Side High School newspaper staff is responsible for gathering, editing, and publishing, five times a year news and information about West Side High School and the West Side Community-at-large.

In addition each staff member becomes involved in the other related, noncreative aspects of the newspaper business. Each student gains useful information about finance, graphic arts, advertising, and business management.

This program is designed to enable seniors to acquire the attitudes, work habits and skills necessary to make good on the job and to make progress after securing employment. This is done by providing in-class instruction and actual on the job experience.

# *The West Side-Barringer Game*

*September 15, 1979*

On September 15, 1979, the West Side Roughriders played its first game against the Barringer Blue Bears. The entire team went to the stadium with a winning attitude knowing that they were competing against the best team in the City and State.

The Riders were deceived, and we lost by a large margin. Mistakes ruined us. After this game, we were determined to play as a team. We lost some games after that, but we were a TEAM!

Wrestling "The West Sideway" is a way of tradition, pride and dedication. This year we will better last year's 6-3 record. A winning tradition is no easy task. Last year West Side produced one regional champ who went to the states for the first time in school's history. Also three district No. 10 place winners, two city champions four place winners. We lost the city title by one point to East Side; we placed fourth in the District tournament.

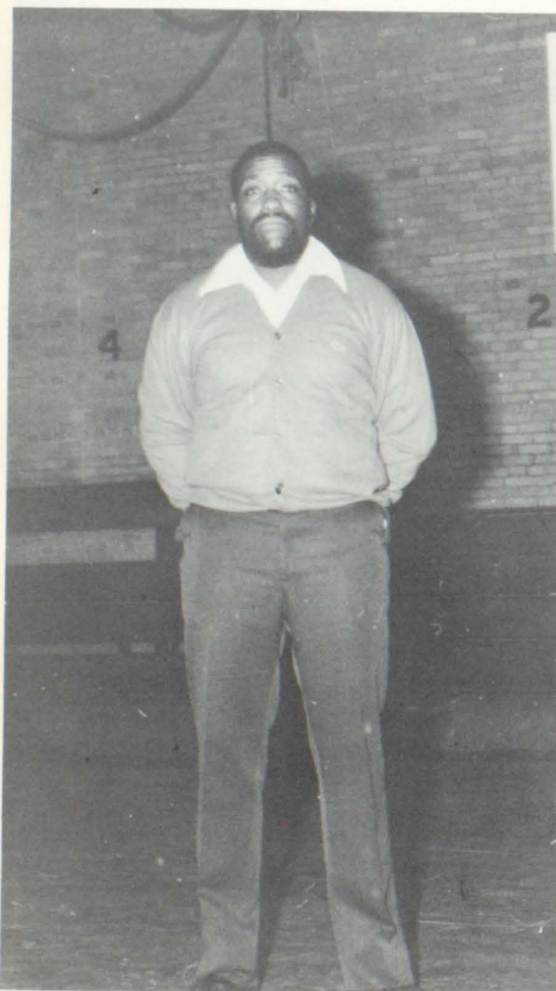

This year we are off to better those goals with a nucleus of veterans: Wayne Stubbs, Reggie Phillips, Kevin Turner, Alec Smith, and William Baker.

So far this season, we have placed third in the Elizabeth International Tournament with three champions Wayne Stubbs, Alec Smith, and William Baker.

Credited to our wins thus far include victories over Shabazz, Valley, Montgomery, Barringer, losses include Columbia, St. Benedict's and Seton Hall.

Standing (l to r) Coach Solomon, L. Turner, A. Smith, W. White, W. Baker. Seated: T. Broner, W. Stubbs, R. Phillips, M. Jordan.

**ALEC "DINO" SMITH**

## SENIOR PROFILES:

**WILLIAM BAKER** is a team leader, a hard worker who gives 100 percent plus in practice and on the mat. A third district place finish last year and an Elizabeth Tournament Champion this year, Baker has pinned everybody he has wrestled except Seton Hall (13-7 win). He works takedowns well. He has a good gamby roll from referee's position. Baker holds a team record for most pins in the least amount of time.

**REGGIE PHILLIPS** placed third in the City Tournament last year. He is expected to win the title this year. Wrestling at 108-115 lb. weight class, Reggie is quicker than most wrestlers at that weight. He uses speed to his advantage on takedowns and escapes.

**ALEC SMITH**, a four-year varsity wrestler who won the Roanoke, Va. Tournament as a freshman. He was a district runner up as a junior, and second in the city tournament. Alec is a knowledgeable wrestler, and has great balance and strong grip. He uses various leg rides on opponents. He also has a good fireman's carry takedown.

**WILLIE WHITE** is expected to perform well this year. In spite of the fact he is a rookie. He is wrestling better with every match. He holds one of the highest academic averages on the team.

# The Lamp Staff

ROBERT REGISTER, EDITOR

Long hours, nerve-racking problems, working hard to meet deadlines are some of the difficulties we encountered to publish this year's LAMP. Under the directions of our adviser, Mrs. Cato, Editors, Juanita Gillon and Robert Register, the yearbook staff went through many tasks of selecting pictures and designing layouts. However, hard work and perseverance paid off in helping us put together a yearbook of the highest quality.
